What ever you do... have Sherlock Homes Inspections do your Well Water Test for VA - FHA loans.... They meet the requirements for VA and FHA saved me a few thousand dollars.

⚙️ First to Review

Very nice job.

Had them inspect our new home in FL.

They were comprehensive and helped me understand the basic inspection as well as the need for a "wind mitigation" inspection that my insurance company needed for coverage.

The "re-inspection" after some repairs were made was very prompt and reasonably priced.

Overall - highly satisfied with their responsiveness, professionalism and value.
